Selling top-notch labels for fashionistas on a budget, My Sister's Closet has cornered the market on what it deems the three "Cs" of consignment shopping: cute, clean and current. Open since 1991, the flagship store in the Town and Country Shopping Center in Phoenix has expanded to include four locations in Scottsdale, Phoenix and Chandler. You'll find simple but stylish separates from designers such as Gucci, Armani, Dior and Chanel, as well as high-end couture, ball-room-worthy dresses and plenty of accessories. You can also bring your own stylish pieces in for cash or in-store credit.
