The chain of stores, including the men's [store](#), Well Suited, will be opening at 8 a.m. and you can expect to discover over 70,000 designer items for women and men. We are talking about Diane von Furstenberg, Ralph Lauren, Marc Jacobs and so many more little gems, all marked down to wallet-friendly prices. The stores have been saving and collecting highly-coveted spring items especially for this day, so make sure to stop on by the [location](#) nearest you.

As a prelude to the big event, all locations have winter items [on sale](#) through Friday. From now through Thursday, take an extra 50 percent off the lowest marked price. On Friday, take an extra 70 percent off. Stores will close early on Friday to prep for the spring launch on Saturday.
