**\*\*My Sister's Closet Creates One-of-a-Kind Designer Masks - Available Now\*\***

*Wear a mask when you go out. DO it for you. DO it for me.  
Just DO it please.*

(SCOTTSDALE) - My Sister's Closet, the #1 fashion consignment brand in metro-Phoenix and San Diego, announces today that it is now selling "designer" face masks for \$29.95. Featuring prints of your favorite luxury brands, these locally-made cotton masks are available by calling 480-443-4575 Monday through Saturday between 9:00 am - 5:00 pm or emailing [info@mysisterscloset.com](mailto:info@mysisterscloset.com). Shipping is a flat \$5 fee.

You can get masks featuring Chanel, Louis Vuitton, Prada, Celine, Fendi, Christian Louboutin, even Hermes! They are recycled from dust covers and professionally sewn into non-medical masks.

While My Sister's Closet's brick-and-stores are currently closed to the public due to current "stay-at-home" orders, shopping is still available for customers online at [mysisterscloset.com](http://mysisterscloset.com). Store managers who continue to work to fulfill these orders will be wearing these new masks and practicing social distancing as the brand is committed to providing the the safest work environment possible.

In addition to the inventory featured online, both My Sister's Closet and sibling brand Well Suited (designer men's apparel and accessories) are offering

personal shopping services via FaceTime or phone calls. Whether the customer is looking for workout wear, including a variety of LuluLemon tops, shorts, camis and pants, or designer specific clothing, a single staff member is available at each of the stores to answer the phone and help with requests. Items are available to be picked up curbside or shipped.

One of our best selling categories in the era of COVID-19 is loungewear. Comfortable silk, linen or cotton drawstring pants, oversized tees and knit tops, loose silk button ups, and easy-slip on shoes are in demand. Clothing from the likes of Eileen Fisher, Babette and Eskandar is designed for relaxation and is proving to be popular as more people work from home or don't leave the house. Items at My Sister's Closet and Well Suited are priced 60% to 90% below retail prices. A list of stores and phone numbers can be found below or at [mysisterscloset.com](http://mysisterscloset.com).

"We can even help you find new wall art or outdoor furniture through our luxury furniture consignment brand, My Sister's Attic. With our personal shoppers and approval program, you can improve the decor of your home while still respecting social distancing guidelines. You're spending a lot of time at home, so make it the escape that you've always dreamed of," said Tess Loo, Chief Fashion Officer and one of the "sisters."

Sister Ann Siner, CEO, remarked, "One customer asked what would be appropriate to wear when she gets to leave the house and take the trash out. Guess we are all just trying to make the best of the situation!"
