

Thank You for a Decade of California Fun & Friends

We appreciate your support of My Sister's Closet at the Costa Verde Center in San Diego for the past 10 years. You have helped us make "used" a fashion statement in Southern California and turned sustainability into a household word.

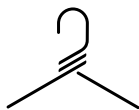

As a result of the shopping center being torn down, My Sister's Closet at the Costa Verde Center has closed. We're still looking for the perfect location to open a new store, so please continue to check back for updates. We promise you'll be the first to know.

In the meantime, we invite you to check out all the great inventory at our Encinitas location. And you can still continue to take your men's and women's consignments to our store at 133 N. El Camino Real in Encinitas Village Center any day of the week.

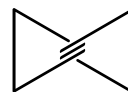

For more information, please call 858.455.0045.

Sincerely,

Ann Siner
